

Jennifer Carter
Program Development Coordinator
MS Municipal Service Company
jcarter@msmsc.com

Jennifer joined MS Municipal Service Company in January 2012 to handle educational programs, underwriting, marketing, and special projects for the municipalities in Mississippi. MS Municipal Service Company is dedicated to providing exceptional workers' compensation and municipal liability coverage at competitive prices for municipalities and other public entities. Previously, Jennifer worked at AmFed Companies for over 11 years. She was in charge of corporate marketing, branding, public relations, events, contracts, and communications for the company. Prior to AmFed, Jennifer worked at IBM, Conway Computer Group, and Venture System Source in various roles from project management to software training on many different software products on various technology platforms. Jennifer is currently the Vice President of MWCEA and has served on the board of MWCEA since July 2009. Jennifer is a member of the Professional Woman's Association and the National Association of Insurance Women.
